

Amendment # 1 to RFQ # OMID/01/024

RFQ Title: Procurement of Milking Goats

RFQ #: OMID/01/024

Amendment to the RFQ Document

1. Changes in the weight of goats

- **Previous Specification:** The weight of each goat was specified as over 25 kg in the initial Request for Quotation (RFQ) document.
- **Revised Specification:** The weight of each goat is now required to be over 40 kg.

2. Provision of Goat Photos:

- **Previous Specification:** The initial RFQ document did not require bidders to submit photos of the goat breeds/varieties they intended to provide.
- **Revised Specification:** Bidders are now required to include photos of the goat breeds/varieties as part of their bid submission documents.

Note: All bidders are required to review any amendments to this RFQ before submitting their bids. It is the responsibility of the bidders to regularly monitor and check for updates or changes to the RFQ.

Below are some photos of *Cheli* goat breed/variety those are available in eastern region of Afghanistan.
