WORLD REQUEST FOR QUOTES (RFQ)

RFQ Number & Title:	**RFQ-WORLD-NGR-14-2026** **Provision of Medical Equipment for the Regional Hospital of Nangarhar Province**

WORLD is a non-governmental, non-political, and non-profit development organization established by a group of young, energetic people who are highly motivated and committed to contributing their time, skills, and energy to the development and empowerment of socially disadvantaged and vulnerable communities in Afghanistan to address poverty and gender-based discrimination. WORLD currently works across all 15 provinces of Afghanistan, including Ghor, Nangarhar, Kunar, Laghman, Nuristan, Khost, Paktya, Kunduz, Mazar, Kapisa, and Parwan, particularly in research, health emergencies, Gender-Based Violence, and other public health activities. Our existing donors include UN agencies, embassies, and Government bodies. WORLD believes that networking, collective efforts, and sharing of knowledge, resources, and information are key to success in addressing the developmental issues and challenges. With this in mind, the organization always seeks to join all relevant forums and networks that align with its mission and objectives. WORLD could also be labeled as an implementing organization that aims to design and implement various developmental projects with the financial and technical support of international donor agencies and the government

---

Taxes and VAT in Afghanistan: Prices must be quoted on a lump sum, all-inclusive basis. Any taxes (including BRT taxes) or fees should not be added later. The BRT tax must be included in the Grand Total Cost of the Proposal. The offeror are required to submit their business licenses to support the 2% BRT tax. According to Article 72 in the Afghanistan Tax Law effective March 21, 2017, WORLD is required to withhold "contractor" taxes from the gross amounts payable to all Afghan subcontractors. Following this requirement, WORLD withholds two percent (2%) tax from all gross invoices to Afghan subcontractors under this agreement with an active business registration license at the time of payment. All legal and natural persons who, without a business license or contrary to an approved by-law, provide supplies, materials, construction, and services under this contract shall be subject to a seven percent (7%) fixed tax instead of income tax. This tax is withheld from the gross.

Quotes will be evaluated based on the following Evaluation Criteria:

Above-mentioned Technical Terms and Conditions (Conditions for Winning Bidders / Participants), the lowest price is technically acceptable – we will select the lowest price of the proposal that meets the technical criteria and includes all administrative requirements.
