

# Safety Audit Consultant

## Duties and Responsibilities

The Consultant will work on the following:

- Develop safety audit tool for nutrition & wash partners in Balk & Parwan provinces.
- Conduct the mapping in respective districts and provinces identified for the project.
- Conduct training for nutrition and WASH partners on how to conduct safety audits on perceived safety concerns by women and girls as they access nutrition and WASH services and display a series of recommendations, actions and procedures to be incorporated officials in the future. The trained partners will conduct periodic safety audits including dissemination of results with nutrition cluster, CP & GBV Sub-Cluster two times per province.
- Develop reports that will inform partners on potential GBV-related safety risks at and around nutrition and WASH facilities and required risk mitigation factors accordingly.
- Better understanding of the context, and GBV sensitivity in Balkh & Parwan provinces.
- Develop report capturing the lessons learned and best practices and discuss it with project partners.
- Conduct field visits when needed.
- Any other tasks as requested by supervisor.

## Required Skills and Experience

Bachelor in Public Health & Nutrition, gender, human rights, or other related fields is required.

Experience:

The Consultant should have the following experience:

- At least 03 years of proven professional experience in Health, Nutrition and Gender sector.
- At least 3 years of proven track records of developing and facilitating trainings on core Health and nutrition concepts.
- Proven analytical and research skills with understanding of quantitative/qualitative methods and data analysis.
- Ability to manage time and meet tight deadlines.
- Focuses on impact and result for the client and responds positively to feedback.
- Consistently approaches work with energy and a positive, constructive attitude.
- Demonstrates strong oral and written communication skills.
- Proven networking, organizational and communication skills.
- Fluency in English, Dari & Pashto is required.
