## **BRAC Afghanistan**

Tender documents (Open Tendering Method) Solarization Requirement for 120-health facility of 11 Province Procurement procurement for the UNDP ABADEI projects of BRAC Afghanistan.

### **Background**

BRAC Afghanistan was registered in May 2002 as an International NGO to assist in the development process after a year of war conflict in Afghanistan, BRAC works with the Government, donor agencies, and the people of Afghanistan to bring positive change to the poor women, men, and children through its various development programs like education, health, NSP, CDP, etc. BRAC has been one of the major implementation partners of Afghanistan's Ministry of public health for providing basic health care services since 2004. BRAC has partnered with the National Tuberculosis Control Program as one of the principal recipients of the global fund for AIDS, Tuberculosis, and Malaria (GFATM), covering 34 provinces. Since May 2016, under the leadership of UNDP, BRAC Afghanistan has started a Malaria control program in three provinces as a sub-recipient work towards combating malaria in Afghanistan. effective from 01 July 2017 to 30 June 2021 BRAC Afghanistan has started BPHS project implementation in Helmand province. We also doing a programme Integrated Community Resilience and Recovery (ICRAR) under the UNDP since June 2022.
