Subject: Request for Application (RFQ)

Kunduz Rehabilitation Agency, KRA's approach to development is based on the principle of sustainable development, which aims to improve the quality of life of the community while preserving the environment for future generations. KRA has been working tirelessly to promote sustainable development in Afghanistan, focusing on areas such as education, health, agriculture, and infrastructure development, is requesting quotations from qualified companies for the **Provision of rental vehicle Model 2000 or above for Kunduz province (Dashte Archi, Chardara and Center) under FAO project** . Please review the attached sheets for detailed specifications.

Conditions:

Quotation Format: Companies must provide quotation according to the specification listed in the official KRA quotation form.

Vehicle Utilization: The vehicle travels approximately 200–300 kilometers or more per day, operating six (5) days per week.

Delivery: Timely delivery is critical, and no delays will be accepted. Suppliers must ensure that all vehicles are delivered on or before the agreed-upon date.

Expenses: Prices must include all expenses, and the contractor shall be responsible for paying the driver's salary and meals, fuel, other lubricants of the vehicle, as well as service and maintenance of the vehicle.

Legal Registration: The company must be legally registered with the government, and must provide a valid registration certificate.

Taxation for Licensed Suppliers: A 2% tax will be deducted from the total amount for suppliers with a business license. This tax will be paid to the government in the supplier's name.

Payment Terms: Payment will be made at the end of each month,

Currency: The Prices Should be in Local Currency AFN.

Increase in Price: KRA shall not be held responsible for any increase in customs duties, taxes, foreign exchange rates, or any other external factors that may lead to a price increase during the term of the contract.

Terms of Selection:

The selection of company will be made after receiving and analyzing all the quotations.

The evaluation will be based on offering the best quality, the lowest price, and the fastest delivery time, from reliable companies.

The final decision will be made by KRA's procurement committee and management team.

Submission Guidelines:

Please fill out the RFQ document and ensure that it is completed accurately. Submit your finalized RFQ to the following email address before the deadline:
